Warranty	3 Years

Model Number	Capacity	Dimension	Weight (approx.)	Colour
HDTX110ASCAA	1TB	80 (W) x 111 (L) x 13.5 (H) mm	149 g	Silver
HDTX120ASCAA	2TB			
HDTX140ASCCA	4TB	80 (W) x 111 (L) x 19.5 (H) mm	210 g	

¹One Gigabyte (GB) means one billion bytes and one Terabyte (TB) means one trillion bytes. Total available capacity will vary based on operating environment, and your results and storage capacity will vary accordingly. A computer operating system, however, reports storage capacity using powers of 2 for the definition of 1TB = 2⁴⁰ = 1 099 511 627 776 bytes and therefore shows less storage capacity.

²Compatibility may vary depending on user's hardware configuration and operating system. Please check device compatibility and connecting instructions by reviewing the applicable user manuals for such device. Compatibility is based on information currently available and is subject to change and subject to restrictions per hardware specifications.
